

## iboss Coconut Brown PLA+ Filament 1.75mm 1kg for FDM 3D Printers

Our Product Introduction

### Basic Information

- Place of Origin: Qingyuan, china
- Brand Name: iBOSS
- Certification: ROHS
- Model Number: PLA+
- Minimum Order Quantity: 48kg/rolls
- Price: US\$7.5/ROLL
- Packaging Details: 1KG/PCS, packed into a 30\*35CM PU vacuum shrink bag, 12 corrugated aircraft CTNs(21.5\*20.5\*6.9CM) in a 43.1\*23.2\*43CM box,
- Delivery Time: 5-7days
- Payment Terms: L/C,D/A,D/P,T/T
- Supply Ability: 10000kg

### Product Specification

- Packing Box Size: 200\*200\*64mm
- Compatibility: FDM 3D Printers
- Bed Temperature: Not Required, But Recommended At 60
- Elongation At Break: 6%
- Modeling: Extrusion
- Application: 3D Printer
- Highlight: **Coconut Brown PLA+ filament 1.75mm, PLA+ filament for FDM 3D printers, 1kg PLA+ filament with warranty**

## Product Description

### iboss High-Speed Printing 3D Printing Filament Coconut Brown PLA+ 1000g

The iboss High-Speed Printing 3D Printing Filament in Coconut Brown PLA+ is a premium choice for 3D printing enthusiasts. This 1000g spool provides ample material for creative projects with enhanced PLA+ properties.

#### Key Features

- Enhanced PLA+ material with excellent printing properties
- Dimensional accuracy of  $\pm 0.02\text{mm}$  for consistent feeding
- 1.75mm diameter compatible with 99% of FDM 3D printers
- Tangle-free, bubble-free, and clog-free for easy printing
- Eco-friendly, biodegradable, non-toxic, and odorless
- Nature-inspired coconut brown color for aesthetic prints

#### Technical Specifications

|                   |                        |
|-------------------|------------------------|
| Model             | PLA+                   |
| Net Weight        | 1KG                    |
| Gross Weight      | 1.4KG                  |
| Packing Box Size  | 21×21×7cm              |
| Diameter          | 1.75mm                 |
| Tolerance         | $\pm 0.02\text{mm}$    |
| Print Temperature | 200-230°C              |
| Bed Temperature   | 60°C                   |
| Printing Speed    | 50-100mm/s             |
| Filament Length   | 330m (1.75mm diameter) |

#### Printing Attributes

| Attribute           | Value                               |
|---------------------|-------------------------------------|
| Packing Box Size    | 200×200×64mm                        |
| Compatibility       | FDM 3D printers                     |
| Bed Temperature     | Not required, but recommended at 60 |
| Elongation At Break | 6%                                  |
| Modeling            | Extrusion                           |
| Application         | 3D Printer                          |

## **About us**

Qingyuan iBOSS Intelligent Technology Co., Ltd. is a high-tech enterprise specializing in the R & D, production and sales of 3D printing consumables and 3D printers. The company is committed to the development and application of 3D printing materials.

With the mission of "developing green and environment-friendly 3D printing materials and promoting human sustainable development", the company is committed to enabling intelligent manufacturing with material technology and providing better product and service experience for users in the global 3D printing industry

#### QINGYUAN iBOSS INTELLIGENT TECHNOLOGY CO., LTD.

It is an international team full of enthusiasm for 3D printing. We produce the best 3D printing materials by controlling each stage of production. With a diverse portfolio of materials from high-performance plastics to unique aesthetic solutions, polymaker will continue to add cutting-edge materials to its growing portfolio. Adhering to the corporate philosophy of "integrity, focus, innovation and pragmatism", while striving for the company, the company continues to forge ahead and strive to promote the innovative development of the world's 3D printing industry.

## PRODUCTION ABILITY

We have the most advanced equipment and the most professional technicians to produce the best products.

Factory scale  
**2400m<sup>2</sup>**

Experience  
**30+ YEARS**

Our team  
**55+**

# WHY CHOOSE US ?

Qingyuan iBOSS Intelligent Technology Co., Ltd.

- SERVICE** Professional team to provide you with efficient service.
- QUALITY** With strict quality control system, quality first
- ODM&OEM** We have more than 30 years of OEM and ODM experience
- FACTORY SCALE** We have 400 square meters for this office and 2,000 square meters for the factory

## Manufacturer Advantages

### 1. High Quality

Using premium materials with strict quality control throughout production, from raw material purchase to final assembly.

### 2. Professional R&D Center

Experienced designers with 15+ years in the industry. Monthly product releases with OEM and ODM services available.

### 3. Fast Dispatch

Most products in stock with orders below 100pcs deliverable within 15 days.

### 4. Small Order Acceptance

Low MOQ accepted with orders as small as 1 piece available.
